### **Scope and Content Note**

The Indiana University South Bend Faculty and Staff Directories Collection contains directory material of faculty and staff of the campus from 1965 – 2010. The directories include addresses and phone numbers of administration, faculty, and staff – both on campus as well as at home. Electronic mail addresses are listed beginning in the 1997 – 1998 directory. Departmental listings of faculty are interspersed with the directories and are arranged chronologically within the folders. The collection also includes early faculty lists as well as office assignments for administration, faculty, staff for the years 1965 – 1969, 1971 - 1972. The 2009 – 2010 year is the last year that the campus published them in hard copy. Subsequent years are online copies – and thus printed out in hard copy for this collection. The collection is comprised of three boxes' worth of materials.
