Collection and Scope Note

Collection features the *The IUSB Review: An Annual Forum of Ideas*, edited by Dr. Eileen Bender. It was interdisciplinary and open to all IUSB faculty. The *Review* was intended as an informal publication for faculty to be able to publish their articles, and to be able to communicate their ideas to a wide audience. The intention was to have the articles be read and understood by those outside of each individual discipline. It also was intended to act as a forum; as a stimulus for dialogue.
