**Abstract:**

Collection of Indiana University South Bend Student Newspaper, *The IUSB Vision*. This collection is arranged in chronological order, from 2006-2008. There is one box. *The IUSB Vision* is an unofficial Student Newspaper. In effect, its mission is to be the voice for student clubs. This collection gives insight to IU South Bend clubs, club activities, and campus events as well as reporting the status of IU South Bend projects. It's an excellent source to gauge the reactions of local students, faculty, and staff concerning these events, projects and activities. It is, in addition, an alternate voice to the Indiana University South Bend student newspaper *The Preface*.

**Scope and Content Note:**

The collection is organized chronologically. Within each year, the newspapers are organized by volume and issue numbers.
